

MEMORANDUM

DATE: March 16, 2020
TO: All Interested Parties
FROM: Beth Lawson, CEO 
RE: Temporary Closure of Day Centers

As you are undoubtedly aware, the situation related to the worldwide COVID-19 pandemic is quickly evolving. StarCare Specialty Health System's (StarCare) Leadership Team is staying informed and working diligently to ensure actions are taken quickly and prudently to ensure the ongoing health, safety and welfare of all people who interact with us.

To allow a window of time to best assess our local environment and in an abundance of caution

**StarCare will officially close the
Intellectual and Developmental Disabilities (IDD) Day Habilitation Program and the
Silver Star Day Health Center
Wednesday through Friday (March 18 – 20) of this week.**

If possible, we encourage participants to voluntarily stay home starting tomorrow. An official decision about closures for next week will be made no later than close of business Thursday, March 19, 2020.

Please do not hesitate to contact your service provider if you need special assistance during this time. Alternatives may be available for whom these closures pose an extreme hardship.

Remember, the best ways to stay healthy are to stay away from crowds/people who are sick and to wash your hands well and often!
